June 2009

Presidents Notes

The repairs to the Community Centre floor will begin on Monday, June 15th at 9:00 am. A section of the carpet will be removed to determine the extent of the damage to the floor. At this time the insurance company will review the area to determine if they will cover the damage. A local concrete contractor will then remove the raised area and replace this with new concrete. This needs to be done to determine the cause of the three-fourths inch rise in the floor. A new section of matching carpet will then be installed. It is planned that the entire repair will take less than two weeks. Community Centre activities should be able to continue as normal. A few groups may need to use a different room for their activity. It is estimated that the cost of the repairs will be \$6500.

Volunteers are still needed to run the bingo game on the fourth Tuesday of the month. Call Rick Raible at 838-9408 if you are willing to help out.
