

Draft of: Annual Meeting of Fripp Island Community Centre 2010

President Max Stubbs called the 2010 Annual Meeting of the Fripp Island Community Centre to order at 9:00 AM. He declared a quorum present and the minutes from the Annual Meeting 2009 were read, and approved.

Treasures Report:

Rick Raible made the treasurer's report for Betsy Koehler. The finances of the community centre were in excellent condition because of the stewardship of the community. Total income for the year was \$107,606; cash flow was \$23,124. The budget for next year is \$93,500. The major expense for the year was the repair of the floor in the community centre.

Website:

Chris Assaf reported the calendar on line has improved access to the public and assisted in communication of information to the people on Fripp. We booked 10 wedding last year and 4 are already booked for the coming year. There was 1 baptism and 6 memorial services this year. The newsletter is emailed to the community. The Haiti Relief raised \$5,000 and will be distributed to the Red Cross and Doctors Without Borders. Betsy Hammet has the latest update from Doctors Without Borders and it will be scanned onto the website.

Building and Grounds:

Michael Ashby reported the Garden Club and Women's Club had completed the beautification project for the Centre and their contributions were greatly appreciated. The east parking lot was graded and additional parking spaces were added to the lot where the chips had been dumped. Repairs to the building included the floor, heating and air conditioning, and the electrical system.

Columbarium Report:

Ralph Petrea reported that there are 12 sites left and preparation is being made for the next addition. Forty plates sent back and a credit was made to the account (\$26.00x 40). Work to prepare the site will be done by volunteers. There were no buy backs this year.

Library Report:

In the absence of Librarian Sandy Buschur, Max Stubbs noted the use of the library is wonderful and donations of books are great.

Communication Report:

No report needed at this time.

Worship:

Patty Patek reported that we had three new ministers sign up for last year, but we lost four for various reasons. Wednesday night church services in town preclude a lot of ministers from participating in our service. The resolve would be to move our service to another night. Dick Briggs has taken on the alter guild responsible held by Bob Davidson. Our attendance is decreasing and new residences need to come. Easter attendance was approximately 400 people and the Easter service will be held in the tent this year.

President's Report:

The Centre continues to have security issues with people not locking the building after using the facility. Two great fund raisers for the Centre raised \$2,285 and the concerts by the choir and were appreciated. The beautification project was completed and has added to the outside surroundings. Major repairs to the floor were completed and the problem with the floor buckling has been resolved. The cost was \$6,200. The first pictorial directory for the island was completed and the directories should be ready for distribution in late February. The Haiti Relief fund raised \$5,500 and the email blast to all islanders ...responses from out of state people was heartening. Thanks to everyone for their support and help this year.

Nominating Committee Report:

Rick Raible	President	2011
*Pete Simon	Vice President	2013
Karen Wolbrink	Secretary	2012
Betsy Kohler	Treasurer	2011
*Barb Furest	Assist. Treasurer	2013
Michael Ashby	Building/Grounds	2011
Stewart deWitt	Communications	2012
*Patty Patek	Worship	2013
Linda Burchfield	Events	2012

(replaces Chris Assaf 's term)

Motion was made to accept the slate. Motion was passed.

President's Remarks:

Rick Raible thanked Max for his hard work and leadership this year. The present for Max and Kathy will be a sketch of the Community Centre.

Motion was made to adjourn. It was passed. The annual meeting was adjourned.

Respectfully submitted by

Karen Wolbrink

Secretary
